Dehesa de
EL ARENAL

next page

Exquisite traditional architecture is blended harmoniously with modern touches to create a stunning house.

next page

Interiors are finished with meticulous care and attention to detail, ensuring the ultimate in luxury and privacy for our guests.

next page

One of the most exclusive estates in Spain,
El Arenal is set in 2,000 hectares of wilderness.

next page

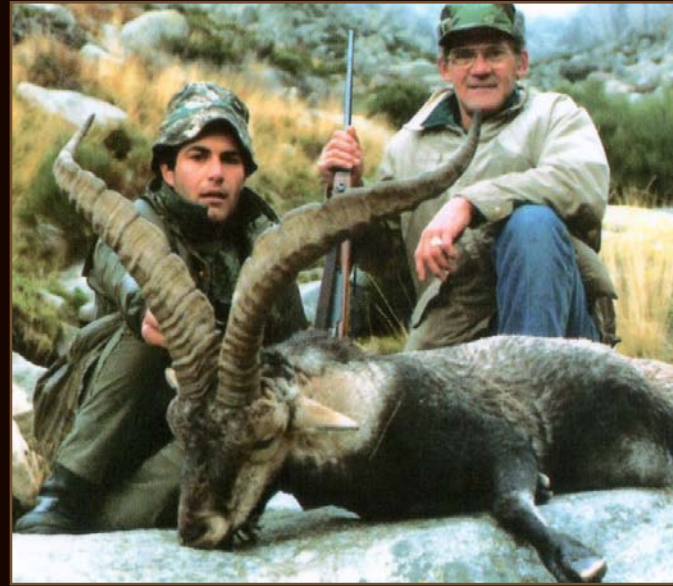

Dehesa de El Arenal is astoundingly rich in wildlife.
Few people experience this private habitat.

next page

We have been shooting here for decades, keeping old traditions alive.
With such great variety of species we can always guarantee a successful hunt.

next page

Far from the city, but close to the world.
